

**MEMBERSHIP APPLICATION**

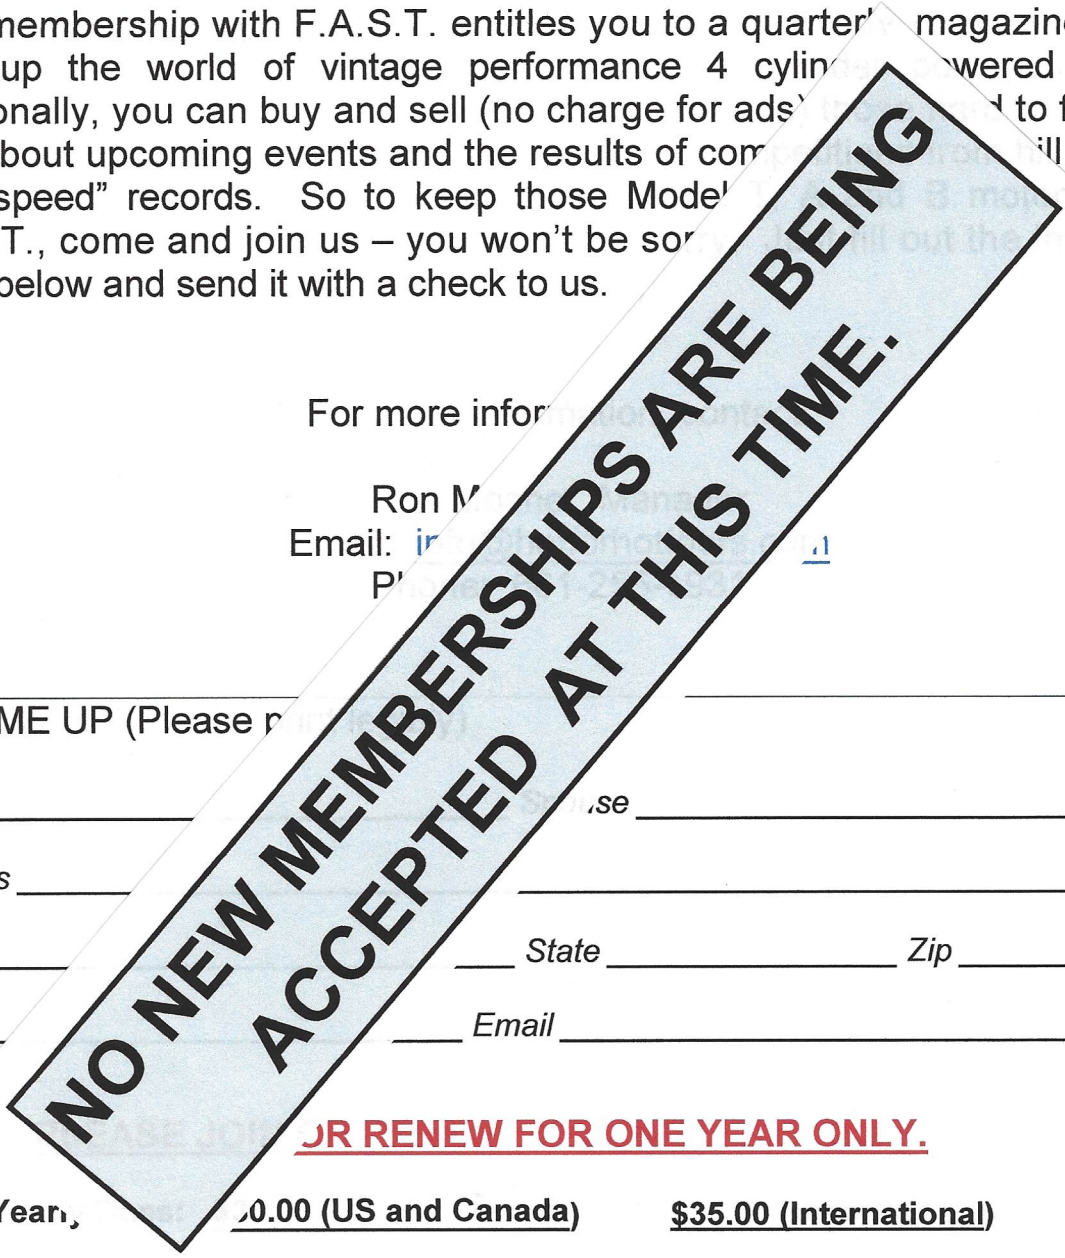

Your membership with F.A.S.T. entitles you to a quarterly magazine that will open up the world of vintage performance 4 cylinder powered vehicles. Additionally, you can buy and sell (no charge for ads) to find parts, read about upcoming events and the results of competition. It will climb to "land speed" records. So to keep those Model 8 models running F.A.S.T., come and join us – you won't be sorry. Fill out the information sheet below and send it with a check to us.
