

MEMBERSHIP APPLICATION

Your membership with F.A.S.T. entitles you to a quarterly magazine that will open up the world of vintage performance 4 cylinder powered vehicles. Additionally, you can buy and sell (no charge for ads) those hard to find parts, read about upcoming events and the results of competitions from hill climbs to “land speed” records. So to keep those Model T, A and B motors running F.A.S.T., come and join us – you won’t be sorry. Just fill out the information sheet below and send it with a check to us.

For more information, contact:
